

## **Subcontractor Standard Terms & Conditions for Haulage v1.0**

### **ACCEPTANCE OF WORK**

Acceptance of the job offer is deemed to be acceptance of these Subcontractor terms and conditions. Job details will be communicated either verbally or by email as required by T.D.R Transport Services Ltd. The job rate must be agreed.

### **INSURANCE**

T.D.R Transport Services Ltd require specific Goods in Transit, Machinery Movement, Engineering or freight policy to adequately cover the load whilst in your care. This cover must also extend to cover loading and unloading operations including but not limited to lifting operations and manoeuvring plant and machinery to facilitate loading and unloading to final destination. It is the subcontractor's responsibility to ensure this cover is in place and that by accepting the job you accept these insurance terms. TDR Transport Services Ltd require a copy of your valid insurance policies to keep on record.

***NOTE: RHA, FTA or similar insurance 'per tonne' levels are not accepted.***

### **JOB REFERENCE NUMBERS**

Each job will be allocated a unique job reference number. This number must appear on all correspondence, including Proof of Delivery and subsequent invoice.

### **PROOF OF DELIVERIES**

All proof of deliveries notes must be legible, have the full name of the person signing and be dated. The POD must be sent to T.D.R Transport Services Ltd without undue delay and must accompany your Invoice. All POD's must be emailed electronically to [accounts@tdr-transport.com](mailto:accounts@tdr-transport.com)

### **Photographic evidence**

You must take photos of the machine at point of delivery and unloading point and photograph any damage prior to commencement of loading. If damage is present you must call our traffic office and report this damage prior to loading

Failure to provide relevant paperwork will result in non-payment of invoices.

### **INVOICES & PAYMENTS**

All invoices and POD's must be addressed and posted or emailed to:
